Introduction

- The agenda was reviewed and accepted.
- The notes from the September 27th meeting were reviewed and approved.

October 4th Discussion

- Personnel from AECOM walked the participants through a general approach to reducing blood lead levels.
- The group discussed the potential design and implementation which will augment existing programs.
- In addition to general messaging and information on lead, two main themes emerged; hand washing and home renovations. These themes have been discussed with some CAC members and will be further discussed at the upcoming CAC meeting.

Open House / Public Comment

- The second open house was held on October 4. Little community interest was observed.
- The public comment period for the HHRA concluded on October 15. No comments were received.

CAC Meeting

- The draft presentation for the next CAC meeting was circulated prior to this meeting. Comments provided by the CAC members have been incorporated into the draft presentation for the CAC meeting. Further comments have been provided by TAC members and these will be addressed in the final draft.
- It was noted that some introductory slides may be required. Intrinsic will prepare one or two slides (see action #187).
- James Irvine, Dave Bezak and George Bihun plan to attend the meeting in person, while Susan Roberecki and Lawrence Elliott plan to participate via telephone.
